

**CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

ROBIN MARCARIO
OCCUPATION: Educator

AGE: 42

Now is the time to vote for Robin Marcario, a positive and approachable candidate, to serve on our City Council.

My husband and I have lived in Garden Grove for forty years and our two children are succeeding in our public schools.

I have traveled extensively in the United States as well as the South Pacific, Southeast Asia, and Europe. I have learned a second language and value the cultural diversity within our city.

I have a B.A. in Communications and intend to use my communication skills to educate, inform, and establish a clear direction for our city.

Open communication between residents and the business community clearly will facilitate change we all can live with. I value our neighborhood associations and volunteer groups and believe they must be included in the decision making process.

I regularly attend our City Council meetings and use my public speaking skills to express concerns regarding development in Garden Grove and the need for new parks.

The protection of our residential neighborhoods, services (fire, police, schools), and infrastructure (streets, sewers) are vitally important to the preservation of the quality of life in Garden Grove.
